Part 2

to be completed by academic supervisor

*Students who receive college credit for their internship experience will receive preference in intership placements. All students, even those who do **not** receive credit, will be expected fo fully complete intership requirements.*

If there are any institutional restrictions or requirements that are a condition of this approval, please attach a separate sheet describing what they are.

Academic Advisor's Authorization (Please check one.)

The application of the above-named student is submitted with my approval. The student will receive college credit for this experience. (Fill in the blanks below.)

number of credits student will receive after successful participation in internship

number of contact hours required for credit for internship, if applicable

No college credit will be granted, but the student has permission to participate in an internship. *This option does **not** consitute permission to enroll in one less course.*
